

Dear Miss Weston,

Many thanks for your
kind note of the 16. inst.
and also for the £1 10
which I have received.
I was about calling on
you on Tuesday last, when
a note from Mr Bethin
informed me that you
were going to leave town
that day, and fearing
that I should be in
the way of your prepara-
tion, I did not call.

My girls went to Calais
on Wednesday last, and
from a letter received on
Saturday, they appeared to
be well pleased, I shall
go to see them in a few
weeks.
I shall be in Hampshire

suppose you will have
left before that time,
please remember me most
kindly to the different
members of your party
and believe me to be
Yours most truly
